**"EXHILARATING!
FIRST-RATE!"**
STEPHEN SCHAEFER, BOSTON HERALD

Terry Leather (JASON STATHAM) and his dodgy friends aren't London's great criminals. But when they're approached by the beautiful Martine Love (SAFFRON BURROWS) and asked to plunder a local bank's priceless safe deposit vault, the small-time hoods see the job as the chance of a lifetime. But what they don't know about the true purpose of the robbery may kill them as they quickly find themselves embroiled in a scheme involving a Black Power leader, the MI-5, corrupt detectives, a local porn king and even the Royal Family in this pulse-pounding crime drama, based on the greatest heist in British history.

Terry Leather (JASON STATHAM) et ses complices minables n'ont pas la réputation d'être de redoutables bandits à Londres. Mais lorsque la ravissante Martine Love (SAFFRON BURROWS) prend contact avec eux et leur demande de vider le coffre-fort de la banque du quartier, les petits truands croient leur jour de chance arrivé. Mais ils ignorent que les vrais motifs du cambriolage pourrait causer leur perte et, rapidement ils se retrouvent au cœur d'un complot impliquant un leader du Black Power, le MI-5, des détectives corrompus, le roi local de la porno et même la famille royale. Vol de banque est un palpitant drame policier inspiré du plus grand vol de l'histoire de la Grande-Bretagne.
