

**"HARROWING. WELL MADE.
SPLENDIDLY ACTED."**

- David Shipman, *THE STORY OF CINEMA*

When Blake Edwards' powerful film of J.P. Miller's heart-rending teleplay *Days of Wine and Roses* hit movie screens, it won critical raves, box-office success and shone brightly as a career highlight for its two Oscar®-nominated* stars, Jack Lemmon and Lee Remick, playing a couple caught in alcoholism's web. A San Francisco public-relations hotshot is a "social" drinker... who never stops socialising. His vivacious wife starts drinking to keep him company. They live for good times. But eventually good times turn bad.

Days of Wine and Roses earned a total five Academy Award® nominations* and a Best Song Oscar® for its haunting Henry Mancini / Johnny Mercer title tune. A poignant, harrowing portrait of human lives at their lowest, it also reflects film-making at its height.
