New York, New York, it's a wonderful town — especially when sailors Gene Kelly, Frank Sinatra and Jules Munshin have a 24-hour shore leave to see the sights...and when those sights include Ann Miller, Betty Garrett and Vera-Ellen.

Co-directed by Kelly and Stanley Donen, based on the Broadway hit and set to an Academy Award®-winning\* adaptation score, *On the Town* changed the landscape of movie musicals, opening filmmakers' eyes to what could be done on location. And when brilliant location and studio production numbers are blended, it could be — as here — ebullient, up-and-at-'em perfection. The Bronx is up and the Battery's down, but no one can be down after going *On the Town*.
